

CHESTERMERE CURLING CLUB REGISTRATION MEETING MINUTES
Dec. 14th, 2010 in the Green Room at the Complex

PRESENT: Marla Forth Dale Zawyrucha
Wolfgang Janke Chris Huzzey
Randy Palaniuk
Nick Woronuk
Cheryl McDonald

Randy Palaniuk called the meeting to order at 9:10 pm.

MINUTES: Chris Huzzey moved the adoption of the minutes from the Nov. 9th meeting as distributed. Marla Forth seconded. **Carried.**

TREASURER'S REPORT: as distributed.

CAMERAS & TV'S: Bob Johnson submitted an invoice as the job is now completed. The TV's are working well. Great job done by Bob, Wolfgang and Kevin Wakeford! Chris to account to SACA for their portion of the grant monies and now Paul can account and close out our last casino account.

CASINO REPORT: Marla reported the results will come in Jan. 2011.

REC. BOARD GRANT: The last year we applied was April 2009. There is \$56. unspent, which will be carried over to next time. Ken Hunt says the accounting from this last one is in his binder in the wardrobe in the lounge. The next time to apply is Feb. 8th, 2011. Randy will attend if he is in town, Nick Woronuk will be his back-up. We need to brainstorm for ideas on what to apply for and Marla will also check with Debbie at the CRCA to see if she has any ideas. Hacksavers? More measuring sticks? Carpeting in the concession? Another boot boy? A new roof?

MEN'S BONSPIEL: see Treasurer's report. Randy to email Marla the pictures of the winners. Thanks to Nick Woronuk for donating the donuts.

MIXED BONSPIEL: Time to sign up! Cheryl will email a reminder to everyone regarding the details. Nick to arrange for donuts and coffee in the morning in our lounge.

ROCKS & ICE: Discussion of our ice conditions and our rocks. It was decided we would hold off on getting our rocks enhanced. More discussion on the feasibility of a full-time dedicated ice maker. Many pros and cons. CRCA would have to hire and we help out? Also many environmental challenges in our facility. Does SACA still run an in-house training session? Is Jamie Bourassa available for more training? Costs for new inserts in our current rocks very pricey (about \$40,000). Maybe getting just the 'bad' ones done? We then discussed checking out our other set of rocks - the Bonavista rocks. Wondering what kind of shape they are in and if they are useable or if the handles could be flipped. They could be tested on our ice prior to the Christmas maintenance.

JUNIOR CURLING: Starting in Jan. Lots of new beginners.

NEW BUSINESS: Marla reported that we need new trophies. She received a quote of \$180. per trophy from a contact through Quality Trophy . Randy Palaniuk moved to purchase 2 new trophies. Cheryl McDonald seconded. **Carried.**

Meeting adjourned at 11:00 pm.

Chris Huzzey, Secretary.
