Evening Stirling League Possibility:

We have also added an option to play in the Evening, but only if there happens to be a weeknight that has only one draw in our Regular Leagues.

Last Season the options would have been Wednesday, Thursday or Friday evening.

We need 8 to 12 people interested in an Evening League.

We need to have one evening that has only one draw in our Regular Leagues.

Then we would have our Regular League begin at 6:45 pm.

We could hold a Stirling League from 9:00 pm to 10:00 pm on this evening, and we would only charge \$50 for the Fall League with 8 evening draws and \$50 for the Spring League with 8 evening draws.

If the majority of the players registered would like to curl two games per week then we would charge \$100 per player and the Stirling League would run from 9:00 pm to 11:00 pm.
