To Potential Advertisers,

The Chestermere Curling Association has been an active community sporting group in Chestermere for over 35 years. Our Association offers exceptional curling opportunities to Men, Women, Juniors, and Seniors. Our curling community consists of hundreds of evening league players along with daytime senior, weekend junior, weekend doubles, and multiple school programs. The 3 curling sheets are located in the Chestermere Recreation Centre and operate from the beginning of October to the end of March. Overlooking the curling sheets is The Sandbox Game Café & Lounge which is frequented by the general public looking for refreshments and snacks, game café groups and curling enthusiasts excited to watch a curling game.

Each year, we offer advertising opportunities for companies where we will embed their logo into the ice at the home end of the curling rink. Each sheet is capable of 4 decals approximately 2' x 4'. All 3 sheets have excellent visibility from the lounge.

We offer advertising at \$400 per season or \$1000 for 3 seasons (plus GST). This price provides the advertiser with one decal frozen into each sheet of ice (3 decals total). Advertisers can provide their own ice decals, or we can arrange to have them professionally generated at an extra cost.

Our curling association and membership are pleased to have your company consider our ice for your marketing needs. I am certain you will find ice decal exposure an effective method for reaching your advertising audience.

For additional information or to order advertising, please contact the Chestermere Curling Association by email at info@chestermerecurling.com.

Sincerely,

Nick Woronuk
